

Accommodation Options 6th Annual UKILN Conference

21st and 22nd April 2016.

There are a good number of hotels and B&B guest houses in Penrith with it being so close to the central Lake District. Hotels can also be found by using <http://www.visitcumbria.com/> or search engines like Expedia or laterooms, although some which say Penrith will be in the area, but not the town itself. Those listed below score well on trip adviser, and are in walking distance from The George Hotel where the conference dinner will be held in the centre of Penrith.

Tariffs vary due to deals at different times so the figures given here are therefore a guideline only.
